

**Model SCGP04OW1AB**

**All Refrigerator**

BSI's space-saving under-counter refrigerator model is ideal for placement as free standing beside the work bench or under-counter, with the features and convenience of our full-size models. This model carries a commercial rating for general laboratory use. This product utilizes proven technology used in the household appliance industry, but is manufactured to endure the rigors of commercial laboratory use and carries a warranty for this application. For performance assurance, each unit is completely tested and shipped with its unique pull down performance graph. The exterior is constructed of heavy gauge steel with a baked-on white epoxy coating for long lasting durability. The interior is white molded ABS with no seams for easy cleaning and decontamination. The interior environment is protected by CFC-free, high-density foamed-in-place urethane insulation. This model series has a built-in security lock provided. The internal inventory environment includes three adjustable wire shelves with gated openings for taller containers. One fixed-position, removable glass shelf, two removable floor bins and two door shelves for additional storage capacity. Additional features include a reversible outer door, an internal light and adjustable leveling legs.
